## **Protect Your industry's Future. Your Tax Deductible Donation Will Make a Difference!**

### **Why We Need Your Support:**

Home building is an aging industry and it needs new blood to build the homes of CT's future. Young people need to be attracted into construction as a viable and profitable career choice.

New codes, new regulations, and new products and technologies are constantly changing how homes are built, so education is critical for young and old (er) to stay on top of excellence in construction.

And, CIPBR is a perfect vehicle, as a 501(c)(3) charitable organization, to funnel tax deductible contributions to worthy community causes connected to the home building and remodeling industry.
