GOVERNOR'S CHIEF OF STAFF
RYAN DRAJEWICZ

Come be a part of an important conversation with Ryan Drajewicz, Chief of Staff to Governor Lamont (see attached bio). This is a great opportunity, in an informal setting, to hear a preeminent leader in the Lamont Administration discuss efforts taken to improve the State's budget conditions and encourage economic growth. Equally important, the Administration is eager to hear from HBRACT members about regulatory and bureaucratic reforms the state can make to increase housing production.

We encourage you to invite your colleagues. However, space is limited, early registration is suggested to secure your seat at this important event.

Moderated by Council Chairman, *Bill Ferrigno*, join your real estate development colleagues for this informative meeting. *The evening includes a "survey" of attendees on market conditions.*

Social hour and networking begins at 6:00 PM, Program starts at 7:00 PM.
